

In honor of  
*National Breast Cancer Awareness Month,*  
Mendocino Coast District Hospital Diagnostic Imaging Services is  
offering discounted screening mammograms for the month of October.

More and more women are getting mammograms to detect breast cancer in its earliest stages. As a result, breast cancer deaths are on the decline. Encourage the women in your life to get mammograms on a regular basis.

*For more information:*  
and to schedule an appointment,  
call **707-961-4665**
